

Data Sheet for Article: DTRT4262--

Metal door, full width, for S-RACK 42U, W=600 RAL7035

incl. hinges and screws

SCHRACK-Info

Doors DTRT are designed for installation on SCHRACK data freestanding enclosures of the S-RACK series.

Either in place of the standard glass door at the front or as a replacement for the rear panel.

Rear door allows easier and faster access to the back side of the built-in components in case of maintenance, repair or replacement of installed components.

Enclosures without door are available as an option.
