

Data Sheet for Article: EV131302--

# Socket outlet, screw clamps, black

VISIO S 55 (55x55), Rated current 16A, Connection type Screw clamps, Black

## Technical Data

|                             |                         |
|-----------------------------|-------------------------|
| Net length (mm)             | 70,00                   |
| Net width (mm)              | 70,00                   |
| Net height (mm)             | 41,00                   |
| Net weight (kg)             | 0,07                    |
| Series                      | 01-VISIO S 55           |
| Design                      | CUBIC                   |
| Product typ                 | Shockproof socket       |
| Operating voltage AC (V)    | 230                     |
| Rated current (A)           | 16                      |
| mounting                    | Screws and claws        |
| Mounting method             | Flush-mounted           |
| IP Rating                   | IP20                    |
| Colour                      | Black                   |
| Connection type             | Screw clamps            |
| Connection clamps           | according to EN 60884-1 |
| Allowed cables              | Flexible                |
| Allowed cross-section (mm²) | 1,5 und 2,5             |

Technical Data - continued

|                        |                  |
|------------------------|------------------|
| Material               | ABS              |
|                        | Brass            |
|                        | Galvanized steel |
|                        | Plastic          |
|                        | Copper           |
| Environment            | Halogen free     |
| Sustainability         | ROHS             |
| Dimensions (mm)        | 70x70x40         |
| Mounting Depth mm (mm) | 30               |
