

Data Sheet for Article: HDSSON0024

19" Swingframe 37U for DS-/DSZ-enclosure 42U 800 wide

SCHRACK-Info

- All 800 mm wide and 42 U high DS and DSZ enclosures can be equipped with the HDSSON0024 swing frame for mounting components that must be accessible from the rear.
- The swing frame reduces the usable height of the enclosure by 5 U to 37 U.
- Maximum load capacity: 150 kg.
- The maximum installation depth of the 19" components is 330 mm. The frame position influences the maximum installation depth.
- The frame is locked in the closed position with two locks.
- The distance of the swivel frame to the door is infinitely adjustable.
- The swing frame can be mounted at the same time as 19" vertical rails
