# LED Classic 15W A65 E27 Thermoplastic

## 2700K, 1500lm, 200° **ECONOMY**

### Technical Data

|                                      |                    |
|--------------------------------------|--------------------|
| ØxH mm                               | 65x130             |
| Socket                               | E27                |
| Make-up                              | A60                |
| Operating voltage AC (V)             | 220-240            |
| Light colour                         | warm white comfort |
| Luminous flux (lm)                   | 1500               |
| Power Factor                         | >0.5               |
| Colour rendering index (Ra)          | ≥80                |
| Dimmable                             | no                 |
| Colour temperature (K)               | 2700               |
| Service life                         | 20.000h            |
| Beam angle (°)                       | 200                |
| IP Rating                            | IP20               |
| Protection class                     | II                 |
| Comparable Wattage incandescent lamp | 100                |
